Principal's Message

Dear Adreani Community,

Welcome to December! I don't know about you, but for me the holiday season always finds me pausing to reflect on the past year. My girls turned 22 and 20 and made their mama feel old :) One applied to grad school and the other for a transfer to Chico State to complete her bachelor's degree in Agricultural Science. It is bittersweet to see them grow.

On December 16th, we will say farewell to our beloved School Secretary, Rochelle Keup as she enters into retirement. "Ro" as she is affectionately called has been a friend to many through the years. She is kind and thoughtful, smart and witty. She has loved on your children as she received them through the office in the morning and read to them in the Library and in their classrooms through the years. She has supported our site and community so well and we will miss her greatly.

If you can, please pop in to send her good wishes. I know she would love to see each of you one more time on campus.

I consider it an honor to serve as Adreani's principal. It is a joy to watch your children learning and working hard every day. They are good to their core and their spirits keep us all young. Thank you for sharing them with us.

May the holiday season be good to you and help you to slow down even for a moment and look into the faces of those you love and remind them they are important to you.

Happy holidays!

Sincerely,

Julie Hughes

PBIS Corner

(Positive Behavior Intervention Supports)

December Character Trait: Citizenship

January Character Trait: Respect/Fairness

The “Wildhawk Way” is something we follow here at Adreani. It is rooted in our PBIS systems and reminds each of us that “We are Safe. We are Respectful. We are Responsible” in all things on campus. Our students are wonderful examples to those around them. We honor them by handing our WOW tickets when they are caught doing something good! Ask your student about the Wildhawk Way and how they can help to promote this at school.

Attendance

Did you know research shows that missing 10 percent of the school negatively affects a student’s academic performance? That’s just two days a month and that’s known as chronic absenteeism. Dedicate yourself to coming to school every day!
