All students in grades 1-6 receive 200 minutes of PE instruction every 10 days. Intermediate classes receive 160 minutes from our dedicated PE teacher and 40 minutes from the classroom teacher. Primary classes receive instruction from our PE teacher on a rotating schedule. The classroom teacher provides the remaining instructional minutes using the "Additional" PE schedule.

**Primary classes grades 1-3 will have one 30 minute block every other week.**

**Work with the teacher you share the block with (A/B), (C/D), etc. to make sure you have the same amount of days throughout the school year.**

**Please take in account minimum days, holiday, etc. so you each have equal days.**
